## *Dedication*

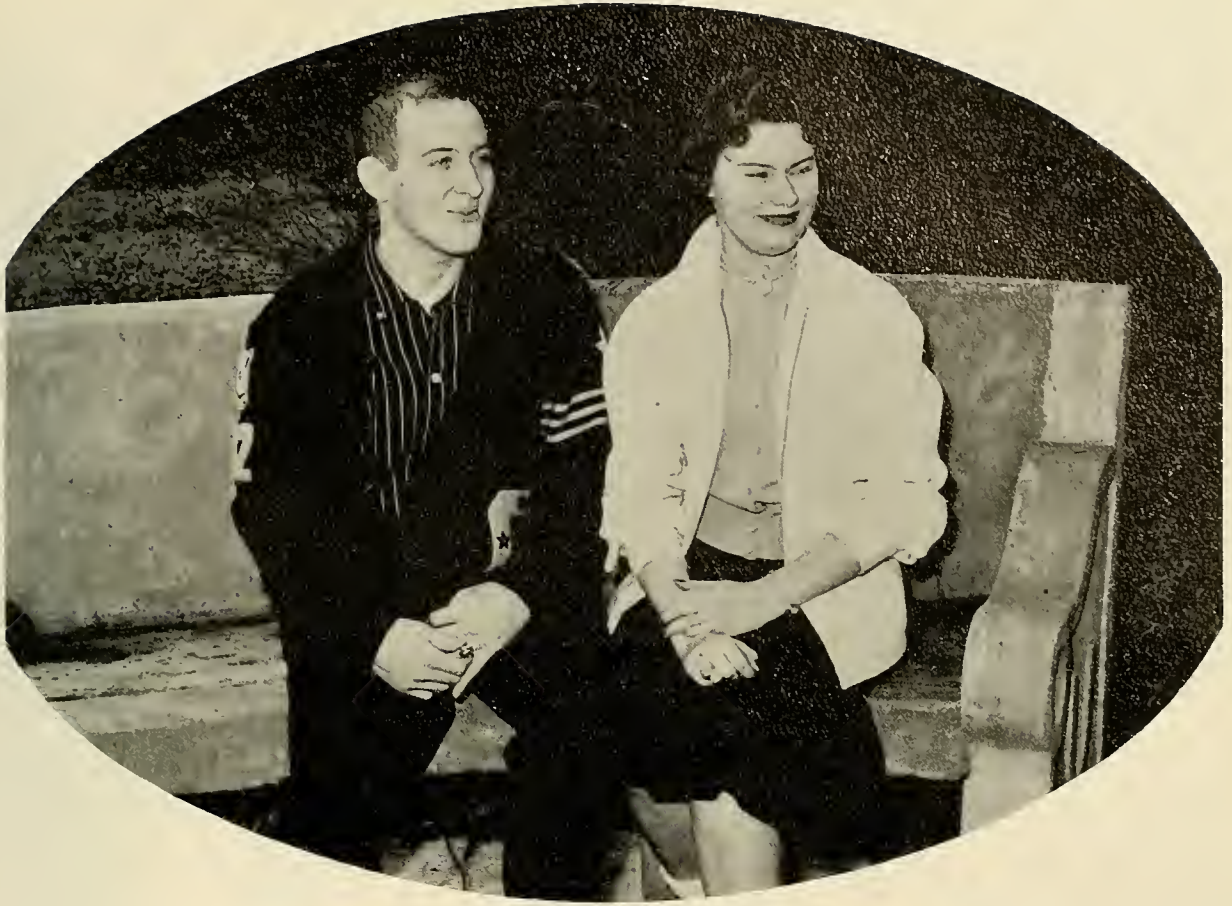

We the 1958 PHOENIX staff in appreciation for his leadership dedicate this yearbook to Professor Joe S. Britton, an outstanding member of the faculty. He is outstanding for his diligence and patience, especially in preparing the annual, and also for his teaching abilities and interest in the good of Cumberland and the students.

Dear Members of the College:

This edition of the PHOENIX finds us nearing the conclusion of our second year of renewed life in the Junior College. Our foundation is well laid, and we are winning the recognition and status we deserve among the members of the educational community in our area.

You who will be the holders of our first Junior College degrees are to be commended for your stalwart devotion and loyalty and for your complete faith in your Faculty and Administration. We appreciate it beyond mention of mere words.

Sincerely,

Charles B. Havens  
President

Dean Jack H. Howard

B. S. , Maryville College;  
M. A. , George Peabody College

To the Class of 1958:

Every member of the faculty and staff of the College of Cumberland University extends to the Class of 1958 appreciation for the role which the graduates have played in making the first two years of the Junior College profitable and meaningful.

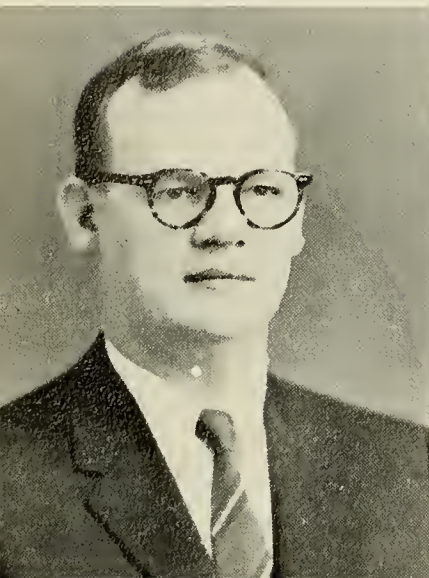

It is the hope of the faculty that each graduate, during his residence here, has gained an insight into the principles upon which Cumberland University is founded. It is further our hope that each member of the Class will find for himself a life rich in the fruits of service.

The Faculty and Staff of the College
